PHYSICAL EDUCATION AND SPORTS PREMIUM

OUR VISION

We want Stepney Greencoat Primary School to be a community of happy, confident, motivated lifelong learners. We want our children to be successful citizens who value themselves and each other. Therefore, we are continually striving to ensure that we nurture, challenge and enable each and every one to be the very best they can be in all areas of school life.

Rationale

We strongly believe that engagement in a range of physical activities will lead us to realise our vision for the children at Stepney Greencoat. We believe that physical activity is essential to a child's well-being and through our provision we aim to:

- Foster a love for and enjoyment of being active.
- Develop 'fitness for life' through promoting the health benefits of regular exercise.
- Identify talents.
- Develop self-esteem, confidence and social skills.
- Contribute to the physical development of each child.
- Give children a way of expressing themselves and an opportunity to be creative.
- Develop a range of skills that can be applied in other contexts.
- Give children the opportunity to try out activities that they would not otherwise have access to.

PHYSICAL EDUCATION AND SPORTS PREMIUM

The yearly grant from the government has enabled us to continue to deliver high quality PE and sports. This grant is partly used to fund our SLA with the Tower Hamlets Youth Sport Foundation; engage a Specialist sports coach to take some PE lessons, run lunch time and afterschool clubs; buy some sports equipment and provide cover for the periods the sports leader is out of class.

Tower Hamlets Youth Sport Foundation

The Foundation was established in 2011 after the withdrawal of funding for school sports partnerships nationwide. In Tower Hamlets, schools and PE coaches/sports leaders wished to continue the excellent delivery of services. This would need to be funded partly by primary and secondary schools through establishing a service level agreement. The total cost of this SLA was £5,278 for the financial year 2015-2016 and is based on the number of pupils on roll. We have bought into this each year.

This SLA gives us:

- Regular training for teachers and support staff
- Two after school clubs each half term. The sports vary throughout the year. The clubs are run by professional coaches.
- At least two sessions of curriculum support per week. These are led by sports development coaches and enables teachers to have high quality practical CPD in a range of sports (see table below)
- Reduced costs for kayaking and sailing at the Docklands Sailing Centre.
- Access to cluster and borough competitions/festivals in a range of sports.
- Access to the London Youth Games.

The children have grown in confidence and skill year by year. This is evident in the levels of participation and popularity of our clubs and competitions. We have continued to experience huge successes in terms of competition wins and the amount of pupil participation:

- All year groups accessed curriculum support during the year at least once (some up to four times)

Specialist Sports Coach

We have used part of this fund to pay for the services of a sports coach to

- take high quality PE lessons in almost all classes and also
- run lunchtime sports clubs and
- after -school clubs for Key Stages 1 and 2 classes.
